ABOUT: API SUMMIT 2026

The 17th annual API Summit returns on **17 - 18 September 2026**, and for the first time, we will be hosting Africa's most influential real estate gathering at the **Cape Town International Convention Centre (CTICC)**.

With a larger venue, expanded exhibition space, & additional breakout rooms, next year's summit will be bigger, bolder & more dynamic than ever before - creating unparalleled opportunities for connection, collaboration, & deal-making.

Alongside the **Africa PropTech Forum** and **API Hospitality Forum**, the API Summit 2026 will bring together over **550 + investors, developers, financiers, and business leaders from 30 countries**. Over two days, expect **100+ world-class speakers**, high-level debates, and exclusive networking experiences, including the **API Networking Cocktail Party** and the prestigious **10th Annual API Awards Dinner**.

From institutional investors and leading banks to pioneering developers, operators, and global stakeholders, the continent's most influential decision-makers will once again shape the future of African real estate together in Cape Town.

PUBLIC RELATIONS INSIGHT

API Events' public relations strategy was extensive and multilayered, with the use of local, regional, and global PR agencies and content specialists, and influencers such as Ask Ash. Our Primary agencies were DMIX and APO, along with paid industry media partners such as Asset Magazine, Property Flash, Property Wheel, African Decisions, and AH Reports.

The total PR spend amounted to USD 30,269,100, covering campaigns for the awards, the summit, hospitality sessions, and the Proptech forum. Between June 21 and September 20, these efforts generated over 313 947 impressions across various websites and social media platforms. Key media outlets, including CNBC Africa, Zawya.com, Socialnews.xyz, Vox Africa, and African Business were among the most influential channels to feature the release.

Attendees and sponsors also contributed by sharing posts leading up to the event, which assisted in building traction, especially posts related to the API Awards and the Proptech Competition.

Examples of the articles and social media post can be seen in the pages to follow.
